

**UNITED STATES BANKRUPTCY COURT
EASTERN DISTRICT OF MICHIGAN
SOUTHERN DIVISION**

In re:
City of Detroit, Michigan,
Debtor.

Chapter 9
Case No. 13-53846
Hon. Steven W. Rhodes

Order to Strike

On August 21, 2014, Hunter Todd filed a motion in this bankruptcy case. (Dkt. #7100)
On August 27, 2014, the Court issued a Notice of Deficient Pleading because the motion did not comply with the requirements of L.B.R. 9014-1(b) in that it was missing the required Notice of Motion and Opportunity to Object, a Certificate of Service, and a proposed order. A deadline of September 3, 2014 was set for correcting that deficiency, however, as of this date, the missing documents have not been filed nor has a request for an extension of time been made.

Accordingly, it is hereby ordered that the motion filed by Hunter Todd (Dkt. #7100) is stricken from the record.

Signed on September 08, 2014
